

RAINBOW

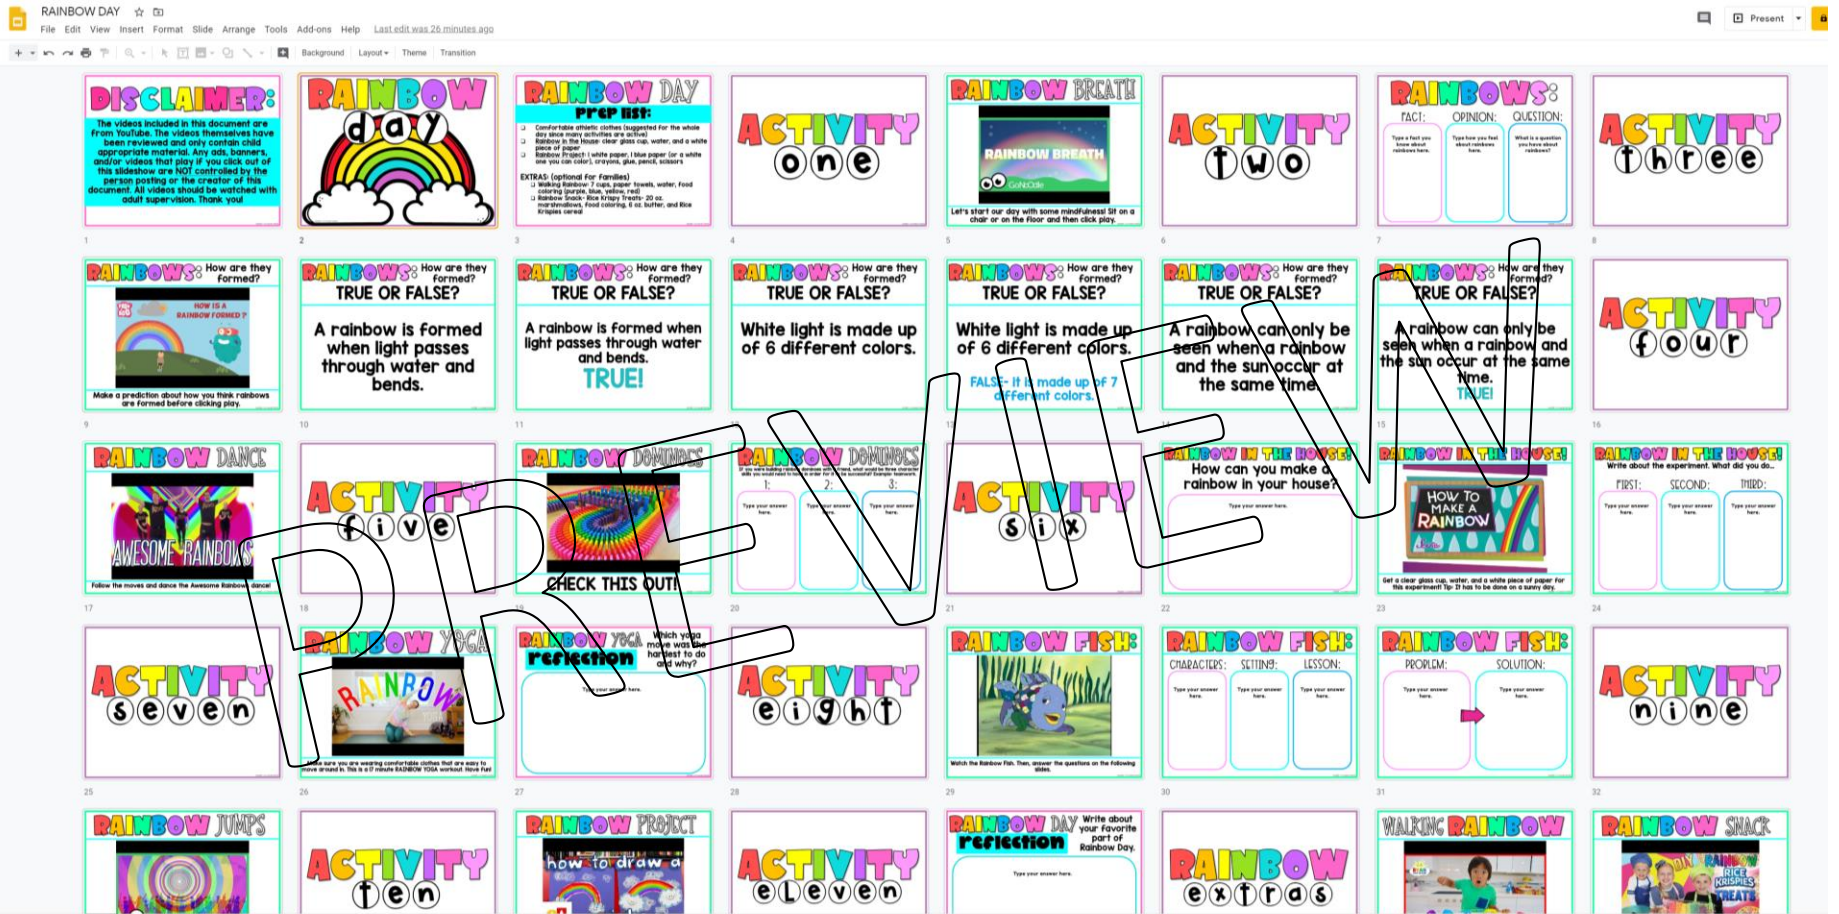

day

-Completely digital Rainbow inspired Theme Day! Literally everything you need to just send it right away to parents. Directions for parents included. NO PREP- no out of the box materials needed!

-Also included: directions on how to change it up to work for you if you want to do less activities, a different order, etc.

-Super easy to implement. Click and go for the day!

-A mix of academics (science, reading, writing), physical activities, mindfulness, Art, and more! Great for the entire family- activities for ALL ages!

-You need to have access to google slides and YouTube. All videos are embedded into the slides, so all they have to do is click play! SUGGESTION: if your parents/kids don't have a google account. Make a class one yourself and share login info for them to use.
