Hi there! 😊 Thank you so much for purchasing this edition of my sight word series! This series was put together to supplement the Fry Sight Word program.

This series was designed with the thought of introducing, teaching, and practicing five, new FRY words each week.

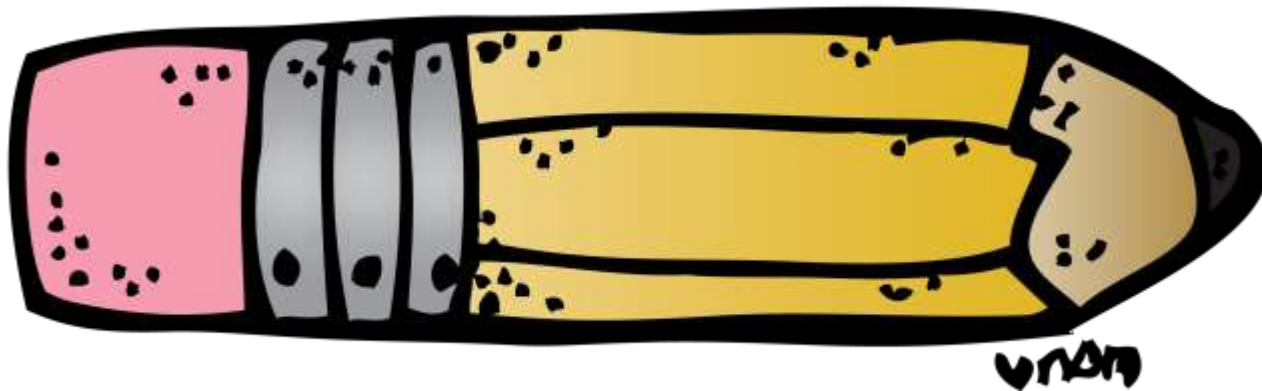

In this pack, **Weekly Assessments- Sentence Completion**, you will get a chance to assess the sight word understanding for the week with these quick sight word assessment exercises. These can also be used for homework, centers, or extra classroom practice. Two different versions are included in this pack AND an answer key!
